*Office gossip was rampant at the publishing house where we worked, especially when pertaining to Tabitha. I had heard all sorts of wild stories about my coworker.*

# NO PANTS SUBWAY RIDE

Walking from my tiny Greenwich Village apartment to the subway station was the pits, especially in the January chill.

My lightweight jacket had worked just fine in Mississippi. But I was a long way from my Southern home, a hell of a long way. New York City was another planet, an alien landscape which grew stranger with each passing day. Never more so than when I boarded the subway and got a good look at my fellow commuters.

Half of them had neglected to wear pants!

Sitting there as the doors closed, I could hardly believe what I was seeing. Passengers, men and women, riding the subway in their skivvies! Adding to the strangeness was the nonchalance of everybody onboard. It seemed like just another day to these folks. Some read the newspaper; others fiddled with their phones; practically nobody paid any attention to the lunatics who had shucked their pants and skirts for this morning's commute. Normally I kept to myself while riding the subway. But today was anything but normal. The guy sitting next to me seemed relatively sane. He was fully clothed, anyway, so I asked him what in the world was going on.

"What do you mean?" he asked, looking at me like I was the weirdo.

"All these people in their underwear," I stated matter-of-

factly. "Have they lost their minds?"

"Oh that," he said, waving his hand dismissively. "That's nothing. They do that every year . . ."

I waited for him to elaborate, but that was all he had to say on the subject, so I consulted my phone. Moments later, I had my answer. The guy was right. I was witnessing an annual event called the No Pants Subway Ride, a day for free-spirited commuters to show off their best undies. Only in New York, I thought, wondering what my family and friends way down in Mississippi would have said about such a batshit crazy event.

Not that I was complaining. Hell, I was all for it. Never more so than when Tabitha Stokes got on at the next stop!

My coworker looked hotter than ever in a black motorcycle jacket, black lace panties, and black boots. I had never seen her on this particular subway route, the one I took five days a week. Maybe Tabitha had moved to another part of the city, I reasoned. Or perhaps she had spent the night with some guy who lived in the area. The latter was highly plausible as Tabitha was a sexy blonde with a reputation for being a slut.

Office gossip was rampant at the publishing house where we worked, especially when pertaining to Tabitha. I had heard all sorts of wild stories about my coworker. The juiciest tidbit was that she moonlighted as an escort. I didn't

doubt it. Her job in the mailroom couldn't have paid very much. And New York is one of the most expensive cities in the nation. Mine was a relatively high-paying position and I still struggled to make ends meet. Hell, I had even been thinking about quitting and going back to Mississippi where it was much cheaper to live.

Sitting there in my hard plastic seat, I couldn't take my eyes off Tabitha. She had no idea that she was being watched by a coworker. Standing with her back to me, her tight booty stood out among the others. This was really saying something as a good number of attractive female commuters were participating in today's event. Legs and asses everywhere I looked. And a wide assortment of panties. Lace, cotton, boyshorts, boxers. The variety of eye candy was truly dizzying. Still, I focused on Tabitha's tush as it was the best.

I didn't want the commute to end. My cock was stiff and getting stiffer. As soon as I got to the office I would have to rub one out in the men's room. I had done this before, of course, but never after seeing Tabitha in her underwear.

Today's wank promised to be extra special . . .

After getting off the subway I waited until Tabitha had put on her skirt and reached the platform stairs before joining her.

"Good morning, Tabby."

"Hey," she said. "What's up?"

My dick, I thought, suppressing a lascivious grin.

"Not much. Another day, another dollar."

knew the answer.

"Of course. I do it every year."

"Yeah, well, I guess you're more adventurous than I."

"There's always next year," Tabitha said as we entered the office and went our separate ways, she to the mailroom in the basement, me to the editorial department on the fourth floor where I would spend the remainder of my day proofreading a French cookbook.

No sooner had I left my valise and jacket in my cubicle than I hastened to the men's room, locked myself in a stall, and jerked off. Instant relief. I washed up and returned to my desk, working steadily all morning until Tabitha delivered the daily post. Pushing her wheeled cart, she stopped at my cube and handed me a bundle of intraoffice mail.

"Thanks, Tabby."

"Sure thing," she said, smiling coyly.

I opened the legal sized manila envelope first. And damn near fell out of my chair when I saw its contents. A pair of black lace panties, Tabitha's panties, the ones she had worn this morning on the subway!

"Wow," I muttered in disbelief.

I peeked around the corner of my cube just in time to see Tabitha push her cart onto the elevator. Was this an invitation? You bet it was! The invitation of a lifetime! Hunched over my desk, I raised her panties to my face and inhaled the heady aroma of her sex. I hoped it would be enough to get me to noon when I intended to pay Tabitha a visit in the mailroom.

It wasn't.

I had to take numerous whiffs throughout the morning. A hit here, another there. Each inhalation made my pulse pound and my dick throb. I kept looking at the old-fashioned clock on the office wall, willing the hands to move faster.

At noon I shot out of my cube like a missile and made a beeline for the elevator, which was already full. My colleagues got off in the lobby, leaving me alone as I descended to the basement. The mailroom was staffed with two people, Tabitha and her supervisor Erin. I knew from experience that Erin went to lunch at noon, Tabitha at one. Perfect, I reasoned, fully expecting Tabby and I to have her workspace to ourselves.

Imagine my surprise upon entering the staff only workroom to find Erin and Tabby getting it on! I stopped in my tracks, rooted to the floor, my mouth gaping as I watched the torrid girl/girl action unfold in living color . . .

Bent over a worktable cluttered with mail, skirt hiked above her curvy white ass, Erin moaned as a kneeling Tabitha ate her pussy from behind. Given Tabitha's reputation, I couldn't help but wonder if her supervisor had paid for the service. If she had—well, who could blame her? Tabitha was smoking hot and worth every penny.

"I hear you," she remarked.

We had just reached the sidewalk across the street from our office when she asked me if I had participated in today's No Pants Subway Ride.

"I did not. How about you?" I asked, even though I

Erin moaned louder. I couldn't see her face, but it was surely twisted with blissful pleasure. The kind I had hoped to experience with Tabitha. Now I wasn't so sure it was going to happen. After all, I had come down here expecting to fuck her. The panties, I had assumed, were a ticket granting me unrestricted access to her mouthwatering body. Clearly, I had assumed wrong. Disappointed, yet still intrigued by the spectacle before me, I watched the lesbo party a moment longer before turning on my heel . . .

"Not so fast!"

The voice, unmistakably Tabitha's, pinned me to the spot. I swiveled around to find her staring at me.

"Where do you think you're going?" she said.

"I-um-uh."

Erin eyed me over her shoulder, her expression betraying much impatience as I hemmed and hawed.

"We were just getting warmed up," Tabitha stated bluntly, "for your big fat cock . . ."

Her words galvanized me into action. I removed my pants in a flurry, then crossed the room and stood before Tabitha, towering over her crouching form. She grasped my shaft and stroked me; this while gobbling my ballbag. Meanwhile, Erin turned around to face us. Knees raised, legs spread, her ample ass planted atop the worktable, she masturbated while watching Tabitha pleasure me with her hand and mouth.

Things continued in this fashion until Tabitha came up for a breather and said, "I want to watch you fuck her."

repeatedly, pounding her pussy with a series of piston-like jabs. It wasn't long before my efforts paid off in a big way, making her tits bounce as if they had a life of their own.

"I knew you were watching me on the subway this morning," Tabitha, still crouching, told me. "I could feel your eyes all over me, especially my tight booty."

I continued to pound Erin's poon, pumping and humping with everything I had.

"I know what everybody says about me," Tabitha went on. "Well, it's all true. I am a slut. And sometimes I fuck for money. But not today. This one's on the house, baby."

She rose from the floor and bent over the table even as I fucked Erin. Tabitha's skirt was shorter than her supervisor's; there was less of it to move out of the way as I pulled out of Erin and prepared to enter her coworker. Hands gripping her trim hips, I skewered Tabitha's twat. Hers was a snug snatch, you bet, snug and juicier than a Mississippi peach.

Erin resumed masturbating as I fucked her subordinate, pumping her cooze until she cried out loudly. Following her boss's lead, Tabitha came next, panting and shuddering with my dick still inside her.

I withdrew with seconds to spare, shooting my jolly juice all over that beautiful backside of hers which had been on my mind ever since this morning's eye-opening commute.

Dressed and ready to return to work, I thanked them for a wonderful time and started to leave.

Tabitha said, "Aren't you forgetting something?"

She didn't have to tell me twice. Erin was a buxom blonde MILF with pouty lips and big tits which threatened to rip the seams of her blouse. I wanted to watch them shake while I screwed her. Erin must've been a mind reader; she unbuttoned her blouse and unclasped her front closure bra, liberating those amazing jugs as I entered her.

Standing there beside the table, I thrust my hips

"Sorry," I told her. "Almost forgot."

I reached into my pocket, produced her panties, and tossed them to her. She snatched her undies with one hand.

"I hope to see them next year," I told her, referring to the next No Pants Subway Ride.

Tabitha smiled naughtily. "You'll see them a lot sooner than that."

## CONVENIENCE STORE CLERK

*I dove in to lick up her juices. Lapping them up as if I were a man dying of thirst.*

I was at a convenience store late one night when I saw a cute blonde behind the register. She looked older than me by about ten years, and I had just started college. The whole place was pretty quiet. I set my items down to be scanned and when she got to the pack of condoms, her bored expression changed.

"Testing these out tonight?" she asked with a playful smirk, looking up at me. A bit embarrassed, I laughed.

"Just being prepared."

"You sure know how to prepare," she said, grabbing the bottle of lube I decided at the last minute to buy. She scanned and placed all my items in a bag. When the receipt came out, she wrote something on the back of it before handing it to me. "In case you need any help trying those out." I pocketed the receipt with her phone number written on the back.

A few days later, I texted her and we set up a meeting at my apartment. I opened the door to see her wearing a tight red dress and looking even better than I remembered. As soon as I pulled her inside, our lips met in a heated embrace. My hands ran down her body and squeezed her ass, pulling her close to me as we stumbled down the hall. By the time we reached

my bedroom, we were both down to our underwear.

Laying her back against my sheets, I kissed my way down her body until I knelt between her legs. I leaned down and began to kiss her inner thighs, working my way up until my tongue found her wet pussy. She gasped as I licked her clit, my fingers spreading her lips so I could see how ready she was for me. Eager, I dove in to lick up her juices. Lapping them up as if I were a man dying of thirst. Her hand gripped my hair and I eased down to lick gently around her clit.

"Oh god, yes!" she moaned, her other hand gripping the sheets. I continued until I felt her body tense. "Don't stop!" My tongue worked her clit in fast, circular motions. "Fuck!" she cried out. Shuddering with pleasure, she started squirting all over my face. It pained me to close my eyes but I did what was necessary as she rode out her orgasm on my tongue. Once she caught her breath and I pulled back to wipe my eyes and lick my lips, I saw her grinning at me.

"Your turn," she said, her hand reaching for my cock. Wrapping her fingers around my thick shaft, she stroked me slowly. I moved up to get comfortable on the bed beside her, and she moved down to take

me into her mouth. Tongue swirling around the head of my cock, her eyes turned up to look at me. She sucked me hard, her hand pumping in time with her mouth until I was so close I could barely think. The feeling of her wet lips on my cock and the taste of her pussy still on my tongue was driving me wild. Just as I felt myself getting ready to explode, she pulled off with a loud pop. A thin string of saliva connected her bottom lip to my dick. "Not yet, I want you to fuck me first," she said. Turning to position herself on all fours, I spanked her ass playfully.

"You're such a tease," I laughed. With her ass up in the air, I positioned myself at her entrance and gradually slid inside. "Oh fuck," I groaned, gripping her hips as I began to thrust. She pushed back against me, meeting me stroke for stroke. Panting, my hands roamed over her ass and squeezed her soft skin. She turned back to look at me with a mischievous smile.

"You know, I already stretched myself out earlier. You could try my ass if you want." I nearly came right then and there.

"Are you serious?" I sputtered.

"Very," she wiggled her ass side to side at me. I pulled out and positioned myself at her tight asshole

and with a light push, I watched myself get swallowed up. Her breath hitched.

"Does it feel good?" I paused.

"Mmm, yes," she moaned, squeezing around me. The grip she had around the base of my cock was astonishing. It took every ounce of willpower I had not to cum immediately. Starting off slow, I gently rocked my hips into hers. Only when she insisted did I start picking up the pace. "Harder!" She demanded. Clenching whenever I was balls deep, she began pushing back to grind her ass against me. I was getting close.

"Where do you want me to cum?" I asked, my voice strained.

"On top of me," she said. "All over my ass!" At the last second I pulled out and gave myself the final few strokes to unleash several thick spurts of cum all over her beautiful fat ass. My cock throbbed and released a couple final strings of fluid before she let out a satisfied sigh. I leaned down to kiss her and rub the cum into her skin. "That was incredible. Next time, we'll have to actually use those condoms you bought."

A photograph of a man and a woman in a close embrace. The man, on the left, is shirtless and has his head bowed, looking down at the woman. The woman, on the right, has long dark hair and is wearing a white, off-the-shoulder, lace-trimmed bra. She is looking directly at the camera with a slight, open-mouthed expression. The background is slightly out of focus, showing a framed picture on the wall and a wooden surface.

"I think my bra is too tight, and my panties, too. Whew, now that Chris has pulled them off completely, I can get down to business... the business of sucking his beautiful cock and balls. There hasn't been a cock I didn't like blowing. And, there isn't a position I haven't yet tried and liked! I hate it when it all has to end."
